**Re: Authority to Disclose  
Information**

As part of the investigation into the loss of £59,175.39 discovered at North Bransholme Post Office in May 2006 I am investigating your suspected involvement. Accordingly I now write to you to request that you grant authority for disclosure of Information from financial institutions that I believe you have dealings with.

In view of this please find enclosed 2 copies each of 2 partly completed "Authority for Disclosure of Information" forms and several blank forms.

If you agree to give authority please complete as appropriate (including relevant address if known) and sign both copies of each disclosure form? The blank forms are for authorisation of any other accounts to you are a signatory and I request that you complete these if relevant.

If you are a joint account holder could the other signatories sign the relevant form to give their authority as well?

If you do consent could you please ensure that 2 copies of the completed forms are returned to me within 14 days. If you have any queries please do not hesitate to contact me on the number below. If I do not hear anything within 14 days I will assume that you do not consent to give such authority.
