I am the above named person and I give this statement of my own freewill.

I am employed as a Post Office Assistant at Jesmond Post Office, St Georges Terrace, Newcastle upon Tyne, NE2 2SY. I have been employed there since 07th April 2008. I am part time working Monday, Wednesday, Friday and Saturday occasionally.

The Subpostmaster for the office is Sunil Khanna and prior to 18th September 2008, Peter Holmes was employed as the Manager. When Peter was employed Sunil never took part in the running of the office and I never seen him in it. During this time I worked Monday to Wednesday 08.45 to 17.30hrs. My main responsibility was to serve the customers. Peter and Doreen Corcoran worked with me Monday to Wednesday.

The Post Office was always opened and closed by Peter. I never did it and never took the keys. In the morning if Peter hadn't put the cash and stock in the drawers, myself and Doreen would do it. We would split what we thought we needed evenly between the three drawers. If I needed anymore through the day I would ask Peter and if he and Doreen couldn't get it, they would tell me to take from the safe myself.

The cash wasn't counted before it was put in the drawer. We operated a shared stock unit AA in the office. At the end of the day all the cash was amalgamated into the one drawer then counted. It was then written on to the cash sheet, then entered into Horizon. Occasionally I would write the figures onto the cash sheet then enter them onto Horizon. I never did a variance check as I didn't know you could.

It was only at the period end that we did a balance. Peter counted the cash and stock for

the balance, nobody helped him. I was never involved in the balance.

I used to ask Peter how we balanced on the Monday and he would say it was fine, no problems. When I asked Doreen she said she didn't know and to ask Peter.

MY User ID for the Horizon system is VMI001 and my password is not known to anyone.

I do not know anyone else's password.

I am not aware of any problems with the Horizon system.

On 18th September 2008 when I arrived at the office Peter met me at the door and told me the audit where in and there was a shortage. He never said how much. I was working that day as Doreen was on holiday. I went in to the Post Office then Sunil told me to wait in the tearoom. Sunil came in later and said the office was short but they didn't know how much. He then told me and Thelma to go home and he would phone us later.

Thelma phoned me later and told me she had been asked to over the running of the office and could I come in.

It was later on I found out the shortage was £46,000.

When I did declare the cash I did so under 06. I have just been informed by Robert Daily, Post Office Ltd Fraud Team that the £46,000 had been declared under 09. I wasn't aware of this and didn't know you could do a second cash declaration.

I didn't steal the money.
