Further to my previous statements, I now wish to add the following.

Following my tape-recorded interview with Josephine Hamilton on 05 May 2006, I then asked her a number of questions for the purpose of completing NPA01 and CS033 forms. The specific questions asked were not recorded, as it was merely a case of completing each relevant section from the two forms, and manually entering the information given by Mrs Hamilton. Form NPA01 is used to compile personal details such as height, eye colour, shoe size etc. If a person is subsequently served with a summons, to appear in court, to answer criminal charges, then the Investigator dealing with the case is required to submit an electronic copy of the NPA forms to the Investigation Casework Team within twenty-four hours of the summons being served. Form CS033 is used to record Antecedent information, such as domestic

and financial circumstances. Typed copies of this form are supplied to the relevant court, in cases whereby a person is prosecuted and subsequently sentenced.

I made a notebook entry detailing my interview with Mrs Hamilton and the fact that I had asked her some questions in order to complete the NPA and Antecedent forms.
