Subject: West Byfleet - Trial of Seema Misra - Trial Date 21st June 2010 (for 7 days) - Guildford Crown Court

Dear All

The trial date of Seema Misra has been changed and now commences on Monday 21st June. This is because a number of witnesses were unavailable for the 1st June date.

The defence have still not indicated which witnesses they require to attend court so currently everyone is a warned witness at this time. This means that any of you could be called to give evidence from the 21st June until the 28th June. I hope that nearer the trial date the defence will have a definitive list of witnesses they require and some of you may be able to be stood down. Until this is known please keep your diaries free for this period.

Penny Thomas - Can you inform Gareth Jenkins, Andy Dunks and Ian Venables of the new trial date and that they may be required to attend court during the 7 day trial.

Can I ask you all to please to confirm by e-mail that you can attend this new trial date.
