Dear Sir

R v Seema Misra Guildford Crown Court case reference number T20090070

Post Office Ltd was successful in prosecuting Misra last month. She is due for sentencing on the 11<sup>th</sup> November 2010. I write to enquire whether the Court would be prepared to authorise the release of the tapes of the hearing to us, for us to arrange for them to be transcribed?

We need the transcript to us in other cases where Fujitsu and the Horizon system are challenged on similar facts. If the Judge is prepared to release the tapes to us or the transcribers for this purpose I would also want them to include details of the sentencing hearing.

Lastly I should also be obliged if you could recommend the names of any firms of transcribers which have been successfully used by the Court in the past.
