**Log Entry Detail (cc4pro2)**

FAD	107937	Details	Called the branch as they are holding onto far too much cash. I've asked for 30k to be returned tomorrow. The lady I spoke to stated that they were hanging onto the excess cash as they were expecting people to come back from the holiday period and withdraw more cash. I explained that they have held onto the excess cash all year, and to return 30k tomorrow.
