OK, Gareth, will do.

Not sure when it will be available - I have some other requests prioritised before Porters Avenue by POL. I'll keep you posted.

Kind regards
Penny

Penny,

I assume you are now retrieving this data.

If you can provide the 3 months worth of data in the same way as you did for West Byfleet (ie as an Events and Banking spreadsheet, plus the raw data in case needed later). If the spreadsheets are then sent to Lisa as normal, I can have a quick look to see what I can find as well and also talk through the info with the Defence expert if required.

Regards

Gareth

Gareth

I'm glad you had a good holiday.

Judge Greenberg agreed to the defences request to have the data but sided with us for providing the three months as originally offered. They chose the last three months of trading and it was agreed that if their expert found anything further data could be supplied - that request has been submitted. I'm not sure what analysis you can do but Penny mentioned you can provide spreadsheets of some description? Perhaps you could speak with Penny as anything that could provide to help our case would be great.

Lisa,

8th November is OK for me.

Holiday was great and weather was good.

Presumably you will be raising ARQs with Penny to retrieve the data.

What exactly is it that you will be wanting from me once we have the data?

Regards

Gareth

Gareth

Many thanks for coming to court to assist our Counsel. She was really grateful for your attendance. The trial has now been put back to 8th November 2010 as 3 months of data has been agreed. As the data will need analysing by our expert (yourself!) can you confirm if you are able to attend court week commencing 8th November should the defendant still not plead guilty.

I hope you had a good holiday and the weather held out!
