Dear Warwick,

Thanks for the feedback. I'll try and amend as suggested once I've finished my further analysis.

At the end you mention "Varsani's statement". I don't believe I've seen that so unless I'm sent a copy I can't comment on it.

I've just had a call from Charles, and asked him about the latest version of his report. He will contact his solicitor to see if he should send it to me or whether it should come from you and get back to me later today. I did mention that I was preparing a statement based on his report.

Have you received the latest version of his report yet? I assume that if I do get a later version, then I need to update my statement to refer to it.

Regards

Gareth

All,

It was good to meet you last night and put some faces to names and voices. Following that I've now attempted to draft a Witness Statement as discussed.

<<0a06.Witness statement Gareth Jenkinsv0.1.doc>>

Here is a first draft, and I'd appreciate feedback as to whether I have captured your requirements as to style and approach. I appreciate that you probably cannot comment on the factual content.

As agreed, I need to do two further pieces of analysis and I've indicated with highlighted comments in boxes where I should include these. However I thought it was worth getting a first draft of the witness statement to you before doing that so you have a chance to review the Witness Statement in parallel.

I've heard nothing further from Charles McLachlan regarding an updated version of his Report. Clearly, should such a report appear, I may well need to update the Witness Statement to reflect any changes.

Regards

Gareth
