Andy
Sorry to bother you but Graham has asked if you have a timescale for
this.
Are you able to say or is it affected by the duplicate transaction
issue?
I'm not in the office at the moment so am unable to check

Hi Jane

Juliet McFarlane has asked for Andy Dunks to produce another statement
in
respect of Up Hatherley case, producing as a separate exhibit, the full
schedule detailing all calls to HSH within the specified period
(01/04/08 -
11/12/08). It looks like this is how CLT want all future statements
produced by Andy, as opposed to some being version 2 type.

Please would you ask Andy if he can produce a schedule showing full
details
of all calls to HSH, giving explanations where necessary. Obviously,
this
statement / exhibit is required asap to be served as further evidence.

Thanks

Graham

Please can you arrange for Penny & Andy at Fujitsu to supply statements covering the workings & integrity of Horizon for Up Hatherley Post Office (368 523) from 01/04/08 - 11/12/08 inclusive. I also need Penny to produce Horizon data supplied for this period and ARQs P560-568 and for Andy to produce a schedule detailing all calls to HSH during this period.
