Subject: REGINA v SEEMA MISRA - GUILDFORD CROWN COURT - TRIAL

Dear Mr Jones,

After a lengthy trial at Guildford Crown Court the above named was found Guilty of theft. This case turned from a relatively straightforward general deficiency case to an unprecedented attack on the Horizon system. We were beset with unparalleled degree of disclosure requests by the Defence. Through the hard work of everyone and through the considerable expertise of Gareth Jenkins of Fujitsu we were able to destroy to the criminal standard of proof (beyond all reasonable doubt) every single suggestion made by the Defence.

I also wish to thank you, Gareth Jenkins and Penny Thomas for all the help you have given me.

Thanks again.
