**Attachment:** doc05729120130208162725.pdf

Hi Steve,

Please find attached a statement which Sharron Jennings has made in relation to a different case. It may be that you have also made one along similar lines before. An updated version may well assist in the present case given that the defence were suggesting at the mention hearing that there must be something wrong with the Hz system otherwise the Post Office would not have agreed that it should be looked at.

Kind regards,

Martin.
