Dear Mr Smith

Re: Khayyam Ishaq, Trial at Bradford Crown Court 25th February 2013

I write further to the aforementioned matter, I was expecting the information requested at Para 11 Sub Para (vi) of our defence statement to have been served by the 5th of October as per the Judges order at the PCMH.

I would be most obliged if you could revert back to us to advise not only the progress of the aforementioned matter but also all other matters referred to at paragraph 11 (sub para's i-viii) of our Defence Case Statement and of course all relevant material under paragraph 10.

I look forward to hearing from you.

Yours faithfully
GRO
