Hi Paula,

I'm sorry that you're having to traipse across London for our meeting today - I appreciate not having to come back to 148 as I am heavily laden today!

Things on my list:-

CWU - meeting with Dave and Billy, and feedback from meeting with Donald

Stakeholder Forum

Your strategy day

Feedback re Martin Moran

Your James Arbuthnot meeting - no immunity but will help re not exposing them if they participate; no current cases; PO prosecution review - accusation of bias/ not able to check; get JFSP to come in and share concerns with Network; James pulling back!

Progress on NTP

Jo Swinson - do we have a follow-up date yet? No details from BIS/JS' office, so Martin E is going to follow up and meet her PS and set up. Have had a note from Richard Kemp - wants to set up a supper with Jo S, as per Norman Lamb, informal and OTR.

I'm sure there will be others but this is a start.

Thanks

A
