Subject: RE: Disclosure Officer for Horizon

Morning Jarnail

Sorry I missed your call earlier, my plans would be to initially have a chat with you to clarify and understand exactly what you are looking for and what parts of old cases will be relevant and useful. I am going to document this with any initial deadlines (I will then send back to you to ensure that I haven't missed anything). Then once I have completed the old cases I can set out a process for adding and understanding any new cases arising.

Do you have a list of any previous cases with Horizon issues that we have defended? Are we just looking at cases that have been defended via the courts or any that have been challenged through the contracts team?

regards

Helen Rose

Further to our recent conversations and my last voicemail, please be advised that Helen Rose from the POL Security Team has been nominated.

If you could contact Helen at the earliest opportunity to discuss requirements I would be grateful.
Many thanks.
