PAYMENT PLAN/TERMS OF PAYMENT:

The man-days and man-hours (as appropriate) in respect of each activity under this CT will be charged on an 'actuals' Time and Materials basis including where work is required to rectify failures to meet any Acceptance Criteria as listed in this CT and with the Other Charges will be invoiced monthly in arrears. Payment by Post Office Ltd is due within 30 days of receipt of invoice.

This CT was impacted based on an activity estimate to deliver the associated Post Office Ltd RWP/CR and no contingency provision has been included. It is possible that the actual effort required to deliver this CT will exceed the estimate and, should this occur, Fujitsu will raise a separate CT to cover the additional spend unless Post Office Ltd has pre-agreed funding for likely risk elements.

Fujitsu will use reasonable endeavours to give Post Office Ltd early notification if the estimated Time and Materials are likely to be exceeded and a further Work Order is required.

For the avoidance of doubt, the amounts estimated in respect of individual activities defined in 'Gross Price' (above) may be exceeded, providing the total estimate in 'Gross Price' is not exceeded.

Notwithstanding any rates listed in these CTs, charges will be invoiced at the rates applicable in the Financial Year in which the service is provided.

All sums payable under these Commercial Terms are stated exclusive of VAT.
