Dear Steve,

Fazakerly.

I can sort out another date. John is away himself the week before and starts a 4 day trial w/c 16/7. He may be willing to do a late afternoon conference on the 16th or 17th if ok with you?

Bishops Hull - Bramwell

I will chase up the issue of the trial date.

My understanding is that the Post Office line remains that the system is a robust one. The defence could presumably raise the issue but have not done so yet. Do we yet know when the review is going to conclude, as this could affect a judge's decision to adjourn for this reason.

London Rd, Sunningdale - Pankania POLTD 1112/0232

Can you confirm who will be preparing the committal bundles on this case?

Many thanks

andrew

Andrew

I am on A/L from 18 July 2012 until 6 August 2012. Has John got any other dates available?

On another point, regarding the case of Bramwell, has the court decided anything regarding the trial date? Also in light of the Post Office instructing independent experts to look at the Horizon system, would this have any bearing n the case? The reason I ask is that one of the witnesses would like to book some leave and the date in question is the 13th August?

Steve

Dear Steve,

Just to inform you that John Gibson of Counsel is booked to cover the PCMH on the 9th August 2012 at Liverpool CC.

I have provisionally arranged a conference with him for Thursday 19th July at 3.30pm at which Andrea Fitzgerald will attend. I assume you would wish to attend if possible, so would be grateful if you could let me know you are available, and if so i can confirm the meeting.
Regards

Andrew Bolc
