Rod

Blackhall is also on there - £7K unexplained gain.

I've got clearance to raise an ARQ from Fujitsu. I've talked to Fujitsu about what additional reports I could include in the request. They have responded but are not optimistic it will show anything. I still have to submit the request.

Andy

**Subject:** Weekly Horizon Call Notes

Hi all

Please find attached the up-dated call log in preparation for the Weekly Horizon call on Wednesday.

Thanks  
Anne
