Hi Mark,

Ishaq was sentenced to 54 weeks imprisonment. OIC etc very happy. Many thanks for your help in this case. It was unfortunate that you could not be there but I understand the importance of the meeting which you had to go to.

So far as the pervert course of justice case is concerned, Steve Bradshaw has reported the offence and is in the process of preparing his own statement. W Yorks police I understand were very interested.

Kind regards,

Martin.

Dear Martin

I'm sorry I wasn't available to deal with the sentence hearing today for the reasons we discussed. What was the outcome?
And has anything come of the referral of evidence to the police re an attempt to pervert the course of justice?

Regards

Mark
