Dear Sir,
Regina v ANGELA SEFTON & ANNE NIELD
Liverpool Crown Court
Date of hearing 15th April 2013

Please see the enclosed letters from the defence seeking additional disclosure, which I believe will be relevant to your discussions in conference this afternoon.

With regard to the letter of the 5th February 2013, I believe that Steve Bradshaw has been preparing a statement in response for some time, and this should nearly be ready.

This was followed by a letter from Hogan Brown on the 25th March 2013, which was again forwarded for Steve's attention.

On the 2nd April 2013, I sent the Court a trial readiness certificate attaching the letter of 25th March confirming we were trial ready subject to this outstanding request for disclosure.

This morning I received in the post the letter from Laurence Lee & Co dated 2nd April 2013 requesting further material. I have checked with our IT department who inform me that the fax was received at our Nottingham branch on 3rd April at 2.32 pm but forwarded to our Crown Court defence department in Nottingham rather than to myself. In any event, following a brief discussion with Steve about the contents, I understand that it would be unrealistic to assume the material could be obtained in the time frame remaining before the trial. I would be grateful if you could consider how best to deal with the request at the conference this afternoon and let me know what action you wish me to take.
