Subject: James brief

Paula the only things that is not in the brief for James is our move away from 'there are no bugs in Horizon' to 'there are known bugs in every computer system this size but they are found and put right and no subpostmaster is disadvantaged by them' it would be good to be able to go on and say 'or has been wrongfully suspended or prosecuted'.
I do not think that is a phone call conversation but needs to be aired at some time with James, I would suggest at your meeting.

Speak soon

Thanks
Alwen
