Toni,

Mine will be using the 25 SCP Matrix so there will be a minimal slide(s) to support this. Still working on and so won't be by the 22/11. Rest assured it will be in place, but haven't cc'd the others as they might cop out!!

Andy

Dear All,

Further to my email below, a gentle reminder that presentations will be required by COB Friday 22 November 2013.

If you find you are unable to provide me with this within the timeframe and haven't already advised me, please do so as soon as possible. Please be mindful that I will be out of the office from 27 to 29 November 2013 on annual leave, supporting a Crown Office on Monday 2 December 2013 and offsite on 3 and 4 December, so as mentioned would prefer to have presentations sooner rather than later in order that everything is in place prior to going on leave.

Thanks again and regards,  
Toni.
