CASE M011

Our Ref: MS2/37142  
Your Ref: JJB/MB/PRINCE

Dear Sirs,

**Re: Kangasundaram Prince**

We write to your firm as being the solicitors on the file representing this defendant in the proceedings which resulted in him being sentenced, for an offence of fraud by false representation, to a term of imprisonment of 12 months duration, suspended for two years, with requirements that he complete a total of 200 hours of unpaid work, be under the supervision of the Probation Service for 2 years, complete an Alcohol Treatment Program of 6 months duration and comply with a curfew of 4 months duration.

On the 8<sup>th</sup> July 2013 a report into the operations of the Horizon system was published by an independent organisation which had been commissioned by our clients, Post Office Ltd. The report is known as the Second Sight Interim report.

We have thoroughly reviewed both the prosecution case and that of your client in the light of material contained within the Second Sight Interim report. We have also reconsidered our disclosure duties under the CPIA 1996 and the Code of Practice enacted thereunder, and the A-G's Guidelines on Disclosure. We are also alive to our duties under the common law relating to cases which have been concluded.

We have formed the firm view that, had the prosecution been possessed of the material contained within the report during the currency of the prosecution of your client, we should and would have disclosed that material to you in compliance with our disclosure duties.

The prosecution recognises its obligation post conviction to disclose any information which may affect the safety of a conviction. Accordingly we now disclose the Second Sight Interim report to you so that you are able to consider whether your client may have grounds for an appeal against his conviction.

We would also remind you of your duty not to disclose this material to any third party other than your client.

Yours faithfully,

**GRO**
