Subject: PO/BIS meeting on Second Sight investigation

Hi [GRO] – please could you liaise with Karen at ShEx (copied) to arrange a meeting for Alwen and me with Will, Mike and Peter next Friday on the above topic? Suggest we put aside 1 hour. Mark (Davies) will also attend if he can.

(Will/Mike/Peter – to explain, we're probably not going to get sight of the draft report until Friday so no point scheduling the meeting any sooner. But we can obviously keep in touch on the phone in the meantime).

It can wait until Monday to fix!

Happy weekends to all.

Many thanks,
Martin
