OK. Ignore my last email then. There is nothing new in this at all. Please suggest next steps asap. I would particularly like a legal view given that the programme is intent on questioning the Horizon system.

I would like a draft response to Jane French to go to her from me. Please can I have something by 2pm?

Dear Melanie,

I am sending the detail you requested as an attachment from Nick Wallis and would appreciate it if you could reply to me (ideally copying Nick in) so that we can properly accommodate the Post Office response in the film which is transmitting on The One Show this week.

Many thanks,
