Hi Angela

I've attached clean final version & updated the evidence file accordingly.

Are you happy for this to be uploaded onto Huddle for SS?

Thanks
Shirley

Angela, Shirley

Good save re the offender's report. Please replace it with the transcript and rename Doc 016 as per your most recent email.

I noticed that the "Summary of the information collated by Post Office" table has also been amended and the "information not available for other reason" column had been reinstated. That column is redundant due to the "information not available-as-beyond-retention-period" amendment we've been making to the table and it shouldn't be included in this or any other reports. Save for that (which I've amended in the attached version of the report) I'm comfortable with the other changes from a legal perspective.

Thanks

Jonny

Jonny

Please see attached with some further minor changes (Angela please see comments in response to your issues raised).

This one was drafted way back in March & refers to the offenders report, which we've now been instructed not to use.

I've removed references to it in the report: Jonny can you confirm you're happy with this? (Before converting to PDF, I'd need to change the last reference to this so that numbers are running consecutively).

Thanks
Shirley

Jonny,

I have made some tracked changes to the document to address some factual inaccuracies. Subject to Shirley's review and confirmation of these this report should be ready for release to SS tomorrow. Would you review also to make sure that POL legal is still happy with the report – I haven't changed the substance of the report just amended some inaccuracies that would be played back to us by the Applicant at a later stage.

Thanks,
Angela

Angela, Matt – please find attached the Post Office Investigation Report for M065 (Hutchings/Rowlands Castle PO) which has been approved by Post Office Legal.

Kind regards,
