Hi all

Many thanks for your attendance and high level of engagement at the Mediation Representative Training this week. I hope you found the sessions useful. Please find attached a copy of the slides.

I've promised to send you a set of five documents:

1. Settlement doc (currently in draft)
2. Applicant Case Questionnaire Response (CQR)
3. PO case review
4. Second Sight initial report
5. PO factfile (currently in draft)

I will send these as soon as possible, but, as I know you all appreciate, confidentiality here is hugely important (the commercial sensitivities and some very sensitive personal data). I need to consider the logistics of this quite carefully, and then I will send the docs as soon as possible.

In the meantime, if you could send me your locations / addresses as well as any leave you have booked, that would be very helpful.

Finally, if you have any questions, please don't hesitate to send me an email or give me a call on [REDACTED] **GRO** [REDACTED]

Many thanks and best wishes

Jess
