David

Thanks. That guidance is helpful. Should we assume that the square bracketed wording in 2.1.1. will likely stay in and need to be covered or can be parked for the moment?

We will get back to you shortly on the urgent question.

Kind regards

Jonathan

Jonathan,

Thanks. Following up our conversation:

- Yes on the structure please stick to our revised structure.
- On timing Chris would like a review meeting on Monday and then a draft on Wednesday.
- On Second Sight as discussed please focus on any legal risk and forward looking not an analysis of how we engaged them.

Separately grateful for an urgent answer to the question – is there anything you have seen to call into question Bond Dickinson's advice that Post Office's liability with respect to a SPMR who has been summarily dismissed is framed by the contractual notice period? Please let us know asap if you have a different view. In other words are the claims for consequential loss completely out of court?

Regards

david

Jonathan,

Thanks for the paper. We have cut down further and reshaped to fit house style. Can we discuss tomorrow morning once you have had a chance to review?

Thanks
David
