Thanks David.

I have answers to most of the questions below in the Q&A, I will pull these out, draft the answers and we can work through in the morning (I'll put some time in the calendar).

I have the addresses of the POAC members so I will search their MP and include in the briefing.

I'll re-circulate the briefing (including new order) to this group tomorrow afternoon for review.

We can then get to Paula for Friday?

Thanks
Sophie

Subject: Feedback from the pre brief

Sophie,

Just finished with Alice and Paula. Brief feedback below:

1. Revise speaking note to open with Branch Support Programme material and then transition to the wider strategic piece – ie reverse the order

Extra questions from the meeting – happy to discuss answers etc but wanted to get out:

- Q Who are SS working for?
- Q Who appointed them?
- Q What are Second Sight working on?
- Q Are Second Sight available as an ongoing MPs resource?
- Q What about unsafe convictions?/Are your convictions unsafe?
- Q What level of compensation will you be paying? My constituent is due Millions?
- Q What about a final report?/Will SS be producing a final report?
- Q What is the SS thematic report?

Action – can you check which constituency the POAC members are from? PV wanted to be able to refer to them if their MP attended.
