Craig

The case has been passed to Angus Crawford as has several Post Office cases.

I had a meeting about another case on Wednesday and he mentioned he was looking at Rasul's case.

He phoned me today to ask about Horizon and we had a long useful discussion about it. I can discuss this with you later.

The upshot is it looks as if it will be penned.

Regards

Robert

Subject: Rasul

Craig,

I think that this is a complete list of the outstanding parts of the enquiry. Can you think of anything else?

From the police

- 1 Bank warrants to get statements to show accused's pay account traffic
- 2 Copies of the statements that the accused gave when spoken to as a witness and a full explanation of his status at the time.
- 3 Any other financial enquiries the FIU deem necessary for building their financial profile- may overlap with 1 above
- 4 Details about what the pay in locations were for Rasul's accounts if available

From the Post Office

- 1 Work rotas/staffing lists to show that the accused works at the locus alone much of the time and was working on the dates of the suspicious transactions (and hopefully working alone)
- 2 An explanatory statement about the proper procedures for replacement cards. This is specifically to include the role of the PIN in this process and to address whether a card with a damaged chip can have its PIN read for issuing the replacement card or whether the PIN is stored off the card.
- 3 An explanatory statement about whether cards can be swiped instead of the PIN being entered and when that can happen (including whether 3 wrong PIN entries then swiping the card is possible or representative of good practice).
- 4 The final Post Office report on whether or not the Horizon system is reliable
- 5 Any other statement Robert Daily wants to make about how the earlier two charges were committed

Andy
