All,

Further to my note on Friday, I have pleasure in attaching our Draft Full Report for Project Zebra. Thank you for the additional weekend time to complete our internal review activities to 100% satisfaction. I hope you too have been enjoying the surprisingly pleasant Bank Holiday weather.

The document is written with a managerial audience in mind, and has been structured as discussed (with all our commentary structured in a forward looking / improvement considerations way). Feedback from Thursday on restructured the Appendix of Horizon Features has also been reflected.

I understand that Ian is setting up a meeting early next week to help advise on next steps, with Linklaters.

Rod> I will give you a call on your return on Wednesday.

All the best

Gareth
