JKW spoke to Ian H, and there are problems with PO/Second Sight relationship. IH has written to new head of legal about contract, and waiting for response. Will contact JKW when he receives answer, and take it from there. JKW mentioned JNA meeting with Alice and Paula on 28 Jan, and asked for telephone call to be pencilled in, in case JNA needs to raise anything with Alice / Paula regarding this. Suggested to IH that if problems are not resolved, he ought to raise them with working group chairman BEFORE speaking to JNA.
