Thanks Jarnail - There are two cases that are currently affected by this issue. They both urgently need to be cleared and sent to Second Sight so how would you like to take this forward to a decision?

Kind regards  
Andy

Chris/ Jessica

As I understand it, POL has been advised by senior counsel that investigation and offender report should not be disclosed. It is of course matter for POL to make a decision whether to accept this advice or not and of course it would be open for POL to decide to disclose such documents. I personally would be unhappy for such documents to be disclosure for reasons set out in counsel Harry Bowyers advice note.

Given the email correspondence between Bond Dickinson and Cartwright King, I would be grateful if I could be informed whether POL has made a decision or Bond Dickinson are proceeding along the disclosure route without POL having made a decision.

P.S I will forward Andrew Parsons email to CK sent on 6/5/14 at 15.38.

Thanks  
Jarnail

Thanks – if you could mark on the docs any bits that you would prefer to be redacted that would be great.

Kind regards  
Andy

Hi Andy,

Thank you for your e-mail; It would appear that Harry Bowyer looked at an earlier version of the proposed response sometime ago and before we were asked to suggest amendments on draft responses using Track Changes. In those circumstances I have added comment to the latest version of the proposed response which I have attached hereto.

Whilst we have advised that as a matter of principle investigation and offender type reports should not be disclosed, I understand that there will be cases in which it is felt that there is no alternative other than to disclose these. In such circumstances they should be appropriately redacted. If you would like me to deal with that, please let me know.

The disclosure of redacted reports may lead to requests for the disclosure of such reports in other cases.

Please do not hesitate to contact me should you wish to discuss.

Kind regards,

Martin.

Martin Smith
