Mark,

I have seen Jane's comments already and have nothing further to add on the two letters. However I do have on the press statement and my suggested changes are in red. These might not be the right words but I want to indicate that we haven't simply gone through the motions rather we have done so with our eyes wide open.

"This has been an exhaustive and informative process which has established that there are no system-wide problems with our computer system and associated processes. We will now look to resolve the final outstanding cases as quickly as possible."

Thanks,  
Angela

Subject: Fwd: Core documents

All

I attach three documents:

- press notice
- letter to Jo Swinson MP
- letter to Adrian Bailey MP

These are core in the sense they are the most public documents we will be releasing. The Swinson letter will be tabled in Parliament by BIS and is most urgent: once Paula is content it needs to be with BIS early on Monday. Apologies.

I would be grateful for your comments, preferably in email text rather than tracked changes.

I have separately sent the Swinson letter to Paula.

In addition I tweaked the exec summary today, and have sent that too to Alice and Paula. Mark U has latest version. It removes the VFM para - Alice has agreed to this.

Finally I will read the full report today or tomorrow.

Thanks all.

Mark
