Dear all

Please see draft letter attached. I have only listened to the West Midlands and BBC South clips. The West Midlands one is clearly the most serious.

Please let me have any comments, and let me know if I should reference any of the other individual broadcasts.

Kind regards

Susan

Hi Susan

Further to Marks' note here's an overview of one of the pieces BBC WM.

There's various levels of coverage. Just going through them now.

Perhaps listen to BBC WM first and then BBC1 South.

I'll go through the others in the meantime, as there will be some repetition across the stations.

To listen to the broadcast log in as me
ruth.x.barker[REDACTED] **GRO** and use the password - pass.

Let me know if you need anything else.

BBC WM suggests that all 150 applicants have been charged with theft or false accounting. it also references a suicide. Julian Wilson is interviewed he goes on to suggest that there are a lot more cases out there, saying over 600 postmasters have contacted the scheme, and that more would come forward if they weren't so scared of how PO would react! He also suggested that customers may have been impacted in that Post Office Card Account transactions might have been affected.
