Martin

Not sure why your email was sent on secured basis but I'm responding so everyone can see. Your question was why was Jarnail's email's excluded from the CCRC disclosures. We'll provide a fuller explanation of this in due course but, in short, Post Office holds way more documents than the CCRC wanted to review so they agreed (indeed asked) that PO limit electronic disclosure to certain searches (which may incidentally pick up Jarnail's emails) with a standing offer to the CCRC to expand those searches if they want something wider or were seeking specific documents.

Kind regards
Andy
