Actually, I think this is helpful in that it is factual and calm. Penultimate para is the one that raises internal concerns - it says PO have needed more time but makes no ref to SS needing it as well. That isn't the story our colleagues have painted - at all. Are we being honest about our own shortcomings? I'm sure we have some!?
Pls can I have a note of yesterday's phone call, and next steps/timelines.
Thx P

Here's the final Tony Hooper letter - as David explained earlier, it's very circumspect...
