Extraordinary sub-heading at section 6. Emotive and as it is the only one with a question posed, not impartial at all.

The report is better; so thank you to all who commented and especially to Rodric, Hugh and Susan for getting it to this point.

However, and I do genuinely want to welcome it as there are some good lessons to be had, it still reads as though they actually want to find us 'guilty' of something.

Let's get the other side of tomorrow and then we review next steps.
