Dear Sirs

THE POST OFFICE GROUP LITIGATION RECUSAL APPLICATION – OPPOSITION

We write to confirm that the Claimants oppose the recusal application (paragraph 3.2 of the Order).

We do so on the basis that the recusal application relies upon the findings in the paragraphs which you have expressly identified in Parsons 15 and that you will not be relying on any parts of the Judgment to which you have not expressly referred in Parsons 15.

Yours faithfully

Freeths LLP
