Dear Tony and Simon,
Please find attached:-

- ∨ the latest version of Steve's statement;
- ∨ the previous version with our comments and Steve's responses; and
- ∨ a comparison between the two.

The main point is probably what was para. 20.3 of the previous version – Steve's comments mean that the para. would be unhelpful and they also contradict para. 20.2 (which remains in the current draft). Perhaps this is one to discuss with Steve and Simon tomorrow.

Kind regards

Jonny
