Paula, Kevin

This was anticipated and we have seen this letter elsewhere. Freeths have until mid-July to drum up further support – while we expect most of this activity to be happening now on the back of the GLO order, it will continue and there is little we can do about it.

It would be worth us briefing George and the Fed more generally to expect this, and such letters should be sent to Rod to deal with.

Dear All

Please see attached letter received by Susan Thomson at Tranent PO at the weekend. It would appear that Freeths are still trying to drum up support.

Regards  
George
