|                    | MP              | Great okay thank you, there are one or two little matter, we had nearly got to the end and I'd have hoped that we'd have finished on the last tape                                                                                                                                                                                     |

|                    | MP              | We would have finished on this tape                                                                                                                                                                                                                                                                                                    |

|                    | MP              | But clearly that's not going to happen, there are some matters that we still want to discuss with you                                                                                                                                                                                                                                  |

|                    | MP              | If that's okay, and I know you've mentioned that <span style="border: 1px solid black; padding: 0 5px;">GRO</span> soon and time and stuff like that so after we've finished this tape maybe we can look at our diaries                                                                                                                |
|                    | CP              | Yeah no problems, I like to, I just want to clear this matter up                                                                                                                                                                                                                                                                       |
|                    | MP              | Fine okay, what I will say to you Carl is that you may have rendered yourself liable to prosecution, do you wish to clarify or add anything before the end of this interview                                                                                                                                                           |
