Juliet,

No charges were brought against Ms Lyell by Humberside Police. Ms Lyell was interviewed but there was no evidence to support a prosecution.

Diane

I am presently dealing with the Confiscation proceedings. The Defence would like to know whether Mrs Lyell was prosecuted (by the Police?) and if so the details. Could you enquire and get back to me

Mick

I'm putting a copy of the Defence Skeleton Argument on the Abuse in the post to you. It's rally for information but if you have any comments please let me know.

Thanks

Juliet
