Dear Sirs

Re: Alison Henderson
Norwich Crown Court – 15th December 2010 – For Sentence

Further to discussions at Norwich Crown Court this morning, the Judge decided that before any progress was made in the case that full payment by Mrs Henderson should be made.

Please find enclosed a cheque made payable to Royal Mail Group from Stephen Henderson's account who is the husband of Alison.

We would be grateful if this cheque could be banked as soon as possible so that the matter is cleared and resolved in time for the next hearing on the 15th December 2010.

If you have any questions or concerns as ever then please contact Simon English of this firm.

Yours faithfully

GRO
