The trial is due to start Monday 20 September at Gloucester Crown Court and scheduled for 3 days. Am I right in thinking then that Andy can cover anything contained within Penny's statement. If so, it may be that he will have to give another statement effectively covering what Penny has written and producing the ARQ's and CD ROMS.

As such can you confirm asap with Andy/Penny that Andu can do this or not as I will have to let Juliet know asap. It was always my understanding that Andy didn't give statements covering the subject matter that Penny did.

Can you ascertain from Andy Dunks asap whether he can answer questions re Horizon as contained in Penny's statement. This is because the trial is set for 20-22 Sep and Penny is on leave. If Andy can cover anything in her statement defence may wish to ask, then trial can go ahead on that date, if not it will probably be pulled until later date.

Can you try and get hold of Andy tomorrow and copy Juliet into any response.

Thanks

Phil

I have had a look at Draft Opening Note and made a few suggested ammendments, which are highlighted in blue. The JB Index appears fine, although subject to what else needs to be produced (see ammended Opening Note and my memo 13/05/10). At the very least i am intending to produce the re-printed BTS for period ending 10/12/08, which will then need to be added onto end.

(See attached file: opening note draft (ammended).doc)

As discussed earlier i am chasing up the Fujitsu statements, in order to produce the Horizon CD ROMS, explain it's workings and cover any calls to Horizon Support Helpdesk (HSH) during period of indictment.

Dear Phil

I hope you are well. Would you ask Graham Brander to consider my opening note today. We only received notification of the extension on Friday and the document is due to be sent to the Court and Defence on Tuesday 1st June.

If Graham could check it and suggest any amendments I would be very grateful. I am in conference from 14:30 but should be able to process any of his suggestions and get them back to you by close of play Tues.

I also attach a draft jury bundle index and would appreciate that being sent to the Court and defence too.

Many thanks

Alex
