Hi Rachael,

I have received a letter from the Defendant's solicitors. They do not agree Gareth Jenkin's statement and in those circumstances require him to attend and give oral evidence. The trial as you know is currently listed at Bradford on 25th Feb with a time estimate of 3 days. There is a chance it could go off, however, as the defendant's solicitors are grumbling about disclosure and the lack of information on the disc prepared for them by Steve B. They have asked the court to list the case for an "intervention hearing" and the provional date for that is the 5th February 2013.

As it remains sensible for all contact with Gareth to be conducted through one person, could ask you please to liaise with Gareth and let him know that as things stand he will be required to attend and give evidence. It may also be worth asking him if there are any dates to avoid in case the trial is relisted.

Many thanks,

Martin.
