Subject: Mr Nemesh Patel (POLTD/1112/0107)

Martin

John Scott's the Decision maker concur with Counsel Will Martins advice that it is not in the Business or public interest to proceed with prosecution of Mr Nemesh Patel.

Marin could you write to the Defence and court of the business decision and have the case listed for short hearing where prosecution Counsel should

be instructed that this agreed action must say to the defence and court is not connected with the Horizon system integrity and rather simply reflect the defendants health and associated issues.
