Subject: Your ref: Scottish Horizon Victims

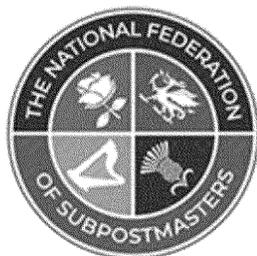

Hello,

Many thanks for your response to the NFSP letter requesting a meeting regarding the Scottish victims of Horizon.

We would very much appreciate a meeting with the Lord Advocate and the Cabinet Secretary to discuss our concerns. In attendance would be Calum Greenhow, the NFSP CEO, Catriona Watt and Rohini Shah, the NFSP legal representatives. I will be on leave therefore cannot attend.

Would either Monday 3rd June – morning, or Tuesday 4th June – all day suit?

Regards,
Ruth
