Hello,

With regard to the attached letter of the 14 May 2024, and the email of response from 24 May 2024, the NFSP and our legal representatives are still very keen to meet with the Cabinet Secretary for Justice & Home Affairs and the Lord Advocate, to discuss the Scottish cases of the Horizon Scandal.

Although we are aware that recent legislation has resulted in quashing of convictions, this has not allowed a full scrutiny of how these convictions were made. As a membership organisation, of which, some of our members were victims, we very much would like to understand how these convictions were made.

We would be grateful to meet with you at your convenience, either online or at your office.

Regards,
Ruth
