NOW THEREFORE IT IS HEREBY AGREED as follows:

**PART 1 : INTRODUCTION**

**Clause 101. Contract Structure**

**101.1 The Related Agreements**

This agreement forms part of a suite of three related agreements between the parties ("the Related Agreements") comprising:

- (a) this agreement between DSS, POCL and the CONTRACTOR ("the AUTHORITIES' Agreement");
- (b) a separate agreement between DSS and the CONTRACTOR ("the DSS Agreement"); and
- (c) a separate agreement between POCL and the CONTRACTOR ("the POCL Agreement").

**101.2 Precedence of the Related Agreements**

In the event of and to the extent only of any conflict or inconsistency between the provisions of this AUTHORITIES' Agreement and the provisions of the DSS Agreement or the POCL Agreement, the provisions of this AUTHORITIES' Agreement shall prevail.

**101.3 Amendments to Clauses and Schedules of the Related Agreements**

101.3.1 The provisions of the Related Agreements may not be amended unless such amendment is approved on behalf of the relevant parties at the appropriate levels of authority as follows:

- (a) subject to the change control procedures specified in Schedule A5, amendments to the Clauses, Annexes and Schedules of the AUTHORITIES' Agreement must be approved by the BA Project Director or his successor on behalf of DSS and by the POCL Development Director or his successor on behalf of POCL and by the Managing Director or his successor on behalf of the CONTRACTOR;
- (b) except as provided by paragraph (d) below, and subject to the change control procedures specified in Schedule A5, amendments to the Clauses and Schedules of the DSS Agreement must be approved by the BA Project Director or his successor on behalf of DSS and by the Managing Director or his successor on behalf of the CONTRACTOR;
- (c) except as provided by paragraph (e) below, and subject to the change control procedures specified in Schedule A5, amendments to the Clauses and Schedules of the POCL Agreement must be approved by the POCL Development Director or his successor on behalf of POCL and by the Managing Director or his successor on behalf of the CONTRACTOR;
- (d) any amendment to the Clauses or Schedules of the DSS Agreement which conflicts or is inconsistent with the Double Key Requirements in Schedule B4 or the Double Key Solutions in Schedule B5 in whole or in part shall be subject to the approval of all three parties in accordance with paragraph (a) above;
- (e) any amendment to the Clauses or Schedules of the POCL Agreement which conflicts or is inconsistent with the Double Key Requirements in Schedule B4 or of the Double Key Solutions in Schedule B5 in whole or in part shall be subject to the approval of all three parties in accordance with paragraph (a) above;
- (f) notwithstanding the foregoing provisions of this Clause, but subject to the change control procedures specified in Schedule A5, in the event of a future change in policy by the Government, DSS may release the CONTRACTOR from its obligations to both

AUTHORITIES under Clause 106.1 without POCL's approval.

101.3.2 (a) If the CONTRACTOR and DSS agree any amendment to the DSS Agreement without the approval of POCL being obtained to such amendment, and POCL's approval should have been obtained pursuant to Clause 101.3.1(d), such purported amendment shall be invalid, and DSS shall indemnify the CONTRACTOR for all costs and expenses reasonably incurred by the CONTRACTOR as a direct result of such purported amendment.

(B) If the CONTRACTOR and POCL agree any amendment to the POCL Agreement without the approval of DSS having been obtained to such amendment, and DSS's approval should have been obtained pursuant to Clause 101.3.1(e), such purported amendment shall be invalid, and POCL shall indemnify the CONTRACTOR for all costs and expenses reasonably incurred by the CONTRACTOR as a direct result of such purported amendment.

101.3.3 The CONTRACTOR need not agree to any amendment to any Related Agreement if such amendment would place it in breach of any of its obligations under any other Related Agreement.

**101.4 Other Changes**

Changes in connection with the Related Agreements which do not require any amendment to the Related Agreements may be approved by the parties to the relevant contract, subject to the change control procedures specified therein as follows:

- (a) changes under the AUTHORITIES' Agreement may be approved by the BA/POCL Procurement Manager or his successor on behalf of DSS and on behalf of POCL and by the Managing Director or his successor on behalf of the CONTRACTOR in accordance with the change control procedures specified in Schedule A5;
- (b) changes under the DSS Agreement may be approved by the BA/POCL Procurement Manager or his successor on behalf of DSS and by the Managing Director or his successor on behalf of the CONTRACTOR in accordance with the change control procedures specified in Schedule A5 of the DSS Agreement;

POCL and by the Managing Director or his successor of the CONTRACTOR in accordance with the change control procedures specified in Schedule A5 of the POCL Agreement.

**101.5 Rights and Remedies of the AUTHORITIES under the Related Agreements**

101.5.1 The rights and remedies of each AUTHORITY against the CONTRACTOR under the AUTHORITIES' Agreement are concurrent and may be exercised concurrently or separately by either AUTHORITY with or without the consent of the other AUTHORITY.

101.5.2 Except as provided by Clause 101.5.4, the rights and remedies of DSS against the CONTRACTOR under the DSS Agreement are not concurrent with those of POCL and may only be exercised by DSS.

101.5.3 Except as provided by Clause 101.5.5, the rights and remedies of POCL against the CONTRACTOR under the POCL Agreement are not concurrent with those of DSS and may only be exercised by POCL.

101.5.4 If in the event of Default by the CONTRACTOR under the DSS Agreement, DSS elects not to exercise any of its rights and remedies against the CONTRACTOR under that Agreement, such rights and remedies shall be exercisable against the CONTRACTOR by POCL in DSS's name within three (3) months of such election as if POCL were DSS and the CONTRACTOR shall be liable to POCL as if POCL were DSS, provided that POCL has suffered or risks suffering direct loss or damage as a result of such Default which is not remediable under the POCL Agreement and provided, further, that the POCL Agreement has not been terminated. In any such action, the CONTRACTOR shall be entitled to the same substantive defences and procedural rights and remedies against POCL as it would have had against DSS if such action were brought by DSS (including the right to obtain discovery from POCL and DSS of those documents in relation to which the CONTRACTOR would have had a right of discovery if the action had been brought by DSS) in addition to those it is entitled to against POCL itself. However, POCL shall not be entitled to exercise DSS's rights and remedies against the CONTRACTOR under the DSS Agreement (a) without first having consulted fully with DSS, or (b) where DSS has settled its own claim against the CONTRACTOR in respect of such Default and POCL has approved such settlement. POCL shall promptly notify the CONTRACTOR in writing of its approval of such settlement.

**RESTRICTED - CONTRACTS**

101.5.5 If in the event of Default by the CONTRACTOR under the POCL Agreement POCL elects not to exercise its rights and remedies against the CONTRACTOR under that Agreement, such rights and remedies shall be exercisable against the CONTRACTOR by DSS in POCL's name within three (3) months of such election as if DSS were POCL and the CONTRACTOR shall be liable to DSS as if DSS were POCL, provided that DSS has suffered or risks suffering direct loss or damage as a result of such Default which is not remediable under the DSS Agreement and provided, further, that the DSS Agreement has not been terminated. In any such action, the CONTRACTOR shall be entitled to the same substantive defences and procedural rights and remedies against DSS as it would have had against POCL if such action were brought by POCL (including the right to obtain discovery from DSS and POCL of those documents in relation to which the CONTRACTOR would have had a right of discovery if the action had been brought by POCL) in addition to those it is entitled to against DSS itself. However, DSS shall not be entitled to exercise POCL's rights and remedies under the POCL Agreement (a) without first having consulted fully with POCL, or (b) where POCL has settled its own claim against the CONTRACTOR in respect of such Default and DSS has approved such settlement. DSS shall promptly notify the CONTRACTOR in writing of its approval of such settlement.

101.5.6 The CONTRACTOR shall not be liable to either AUTHORITY for any failure to perform or delay in performing any of its obligations to that AUTHORITY under the Related Agreements where the CONTRACTOR proves that such failure or delay has been directly caused by the failure of either AUTHORITY to perform any of the obligations applicable to that AUTHORITY or to both AUTHORITIES under the Related Agreements. This Clause shall not apply to Clause 808, which shall be governed by the specific rule stated in Clause 808.2.

101.5.7 Before settling any claim by it under the Related Agreements, the relevant AUTHORITY shall first consult fully with the other AUTHORITY. Settlement by either AUTHORITY of a claim by it against the CONTRACTOR under the Related Agreements shall protect the CONTRACTOR from the other AUTHORITY making a claim in respect of the same Default, provided that such AUTHORITY has approved such settlement. The AUTHORITY approving such settlement shall promptly notify the CONTRACTOR in writing of such approval.

**101.6 Obligations and Liabilities of the AUTHORITIES under the Related Agreements**

101.6.1 For the avoidance of doubt, the parties acknowledge that nothing in the Related Agreements shall be deemed or construed to create a partnership between the AUTHORITIES, and neither AUTHORITY shall be jointly or severally liable for any of the obligations of the other AUTHORITY under the Related Agreements.

101.6.2 Without limitation to Clause 101.6.1, where any obligation under the Related Agreements is expressed to be binding on both AUTHORITIES, such obligation will be binding on each AUTHORITY individually and one AUTHORITY shall not be liable for any failure by the other AUTHORITY to comply with that obligation.

**Clause 102. Interpretations**

102.1 As used in the AUTHORITIES' Agreement:

102.1.1 the terms and expressions set out in Schedule A1 shall have the meanings ascribed therein;

102.1.2 the masculine includes the feminine and the neuter; and

102.1.3 the singular includes the plural and vice versa.

102.2 A reference to any statute, enactment, order, regulation or other similar instrument shall be construed as a reference to the statute, enactment, order, regulation or instrument as amended by any subsequent statute, enactment, order, regulation or instrument or as contained in any subsequent re-enactment thereof.

102.3 Headings are included in the AUTHORITIES' Agreement for ease of reference only and shall not affect the interpretation or construction of the AUTHORITIES' Agreement.

102.4 References in this AUTHORITIES' Agreement to Clauses, Parts, Annexes and Schedules are, unless otherwise provided, references to the clauses, parts, annexes and schedules of the AUTHORITIES' Agreement.

102.5 In the event and to the extent only of any conflict or inconsistency between the Clauses and Schedule A1 and the Schedules (other than Schedule A1), the Clauses and Schedule A1 shall prevail. In the event and to the extent only of any conflict or inconsistency between the Schedules (other than Schedule A1), the provisions of Schedules 2, A2

---

**RESTRICTED - CONTRACTS**

---

to A12, B3, B7 and B8 shall prevail over those of all other Schedules (other than Schedule A1) and the provisions of Schedules B1 and B4 shall prevail over those of Schedules B2 and B5. Notwithstanding the foregoing, if and only to the extent that Schedule 3 expressly states that a particular requirement in Schedule B1 and B4 will be met by Schedules B2 and B5 in a particular form, manner or quantity, or at a particular time or place, the provisions of Schedule 3 will prevail. Moreover, for the avoidance of doubt, the AUTHORITIES acknowledge that a particular solution in Schedules B2 or B5 shall not be treated as being in conflict or inconsistent with any requirement in Schedule B1 or B4 merely because the solution states that the requirement will be met in a particular form, manner, quantity, time or place.

102.6 The Recitals are not legally binding, but are intended as a guide to the interpretation and construction of the AUTHORITIES' Agreement.

**Clause 103. Severability**

If any provision of the AUTHORITIES' Agreement is held invalid, illegal or unenforceable for any reason by any court or regulatory body of competent jurisdiction, such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if the AUTHORITIES' Agreement had been executed with the invalid illegal or unenforceable provision eliminated. In the event of a holding of invalidity so fundamental as to prevent the accomplishment of the purpose of the AUTHORITIES' Agreement, the AUTHORITIES and the CONTRACTOR shall immediately commence good faith negotiations to remedy such invalidity. However, if the AUTHORITIES and the CONTRACTOR fail to conclude such negotiations within a reasonable period of time, the AUTHORITIES' Agreement shall terminate without further liability to any party (subject to Clause 902.7).

**Clause 104. Law and Jurisdiction**

104.1 The AUTHORITIES' Agreement shall be considered as a contract made in England and according to English Law and, subject to Clause 807, shall be subject to the exclusive jurisdiction of the English Courts to which the parties hereby submit.

104.2 Except as specified in Clause 101, the AUTHORITIES' Agreement is binding on the relevant AUTHORITIES and their

successors and permitted assignees and on the CONTRACTOR and the CONTRACTOR's successors and permitted assignees.

**Clause 105. Entire Agreement**

The Related Agreements constitute the entire understanding between the parties relating to the subject matter of the Related Agreements and, save as may be expressly referred to or referenced herein, supersede all prior representations, agreements, negotiations or understandings with respect thereto, whether oral or in writing, except in respect of any fraudulent misrepresentation made by any party.

**Clause 106. General Principles**

106.1 The CONTRACTOR will not have the right to seek and arrange for the Card to be used in retail outlets other than in post offices and DSS offices in normal circumstances.

106.2 The CONTRACTOR shall deliver and continue to provide a secure system in respect of all transactions which as far as the Related Agreements require eliminates the potential for benefit payment fraud and any other fraud or unauthorised disclosure of data and provides pro-active detection processes and significant barriers to attacks from internal conspiracy and collusion to defraud the AUTHORITIES.

106.3 The Services and the Service Infrastructure shall be capable of introduction in all post offices.

**PART 2 : PERFORMANCE OF SERVICES AND SUPPLY OF PRODUCTS****Clause 201. Performance of Services**

201.1 Until transposed in accordance with Clauses 201.4 and 201.5, the CONTRACTOR shall be responsible for meeting the requirements specified in Schedule B1 in the manner specified in Schedule B2 by performing the Services to be more particularly described in the relevant Schedules of the DSS Agreement and the POCL Agreement. The AUTHORITIES shall perform at their own cost and expense the AUTHORITIES Responsibilities listed in Schedules B2 and B5 and as otherwise expressly specified herein, and shall use all reasonable endeavours to perform such AUTHORITY Responsibilities in accordance with any agreed timetable specified in Schedule B7 or elsewhere herein. However, for the avoidance of doubt, and subject to Clause 102.5, the

---

**RESTRICTED - CONTRACTS**

parties acknowledge that the AUTHORITIES' acceptance of the CONTRACTOR's solutions in Schedule B2 and B5, and their agreement to the service descriptions contained in the relevant Schedules of the DSS Agreement and the POCL Agreement, shall not relieve the CONTRACTOR of its obligation to meet the requirements specified in Schedules B1 and B4, as modified by Schedule 3.

201.2 To support the performance of the Services, the CONTRACTOR shall supply the Service Architecture Design Document in accordance with Schedules B1 and B2 and all other applicable provisions hereof.

201.3 The CONTRACTOR shall be responsible for meeting the Double Key Requirements specified in Schedule B4 in the manner specified in Schedule B5 by performing the Services to be more particularly described in the relevant Schedules of the DSS Agreement and the POCL Agreement.

201.4 Schedule B1 and Schedule B2 shall cease to have effect from three (3) months after execution of the AUTHORITIES' Agreement, provided that Schedules B1 and B2 shall have been

- (a) clarified pursuant to Clause 201.10; and
- (b) transposed and/or extrapolated to the relevant Schedules of the Related Agreements as specified in Schedule 2.

The foregoing process of clarification, transposition and extrapolation shall not add to the CONTRACTOR's obligations under the Related Agreements as at the date hereof. Any variation (including additions, reductions and modifications) to the CONTRACTOR's obligations under the Related Agreements arising out of such clarification, transposition and extrapolation may only be made in accordance with Clause 101.3.

201.5 Schedule B3 shall cease to have effect three (3) months after execution of the AUTHORITIES' Agreement, provided that Schedule B3 shall have been extrapolated into the relevant Schedules of the POCL Agreement and of the DSS Agreement as specified in Schedule 2. The foregoing process of extrapolation shall not add to the CONTRACTOR's obligations under the Related Agreements as at the date hereof. Any addition to the CONTRACTOR's obligations under the Related Agreements arising out of such extrapolation may only be made in accordance with Clause 101.3.

201.6 Schedules 3, A6, B4, B5, B7, B8 and C5 shall be extrapolated into the relevant Schedules of the Related Agreements as specified in Schedule 2, but shall still have

**RESTRICTED - CONTRACTS**

effect after such extrapolation. The foregoing process of extrapolation shall not add to the CONTRACTOR's obligations under the Related Agreements as at the date hereof. Any addition to the CONTRACTOR's obligations under the Related Agreements arising out of such extrapolation may only be made in accordance with Clause 101.3.

201.7 The CONTRACTOR and the AUTHORITIES shall use all reasonable endeavours to reach agreement on the clarification of Schedule B1, the extrapolation and transposition of Schedules B1 and B2 and the extrapolation of Schedules 3, A6, B3, B4, B5, B7, B8 and C5 as soon as reasonably practicable after the date of execution hereof.

201.8 In the event that the parties hereto are unable to reach agreement on the clarification of Schedule B1, the extrapolation and transposition of Schedules B1 and B2 and the extrapolation of Schedules 3, A6, B3, B4, B5, B7, B8 and C5 within three (3) months of the date of execution hereof:

201.8.1 (a) the AUTHORITIES may at any time up to six (6) months after such failure to reach agreement jointly by notice in writing to the CONTRACTOR terminate the AUTHORITIES' Agreement as from the date of service of such notice or such later date as may be specified therein without further liability other than pursuant to Clause 201.9; and

(b) DSS may at any time up to six (6) months after such failure to reach agreement by notice in writing to the CONTRACTOR terminate the DSS Agreement and POCL may at any time up to six (6) months after such failure to reach agreement by notice in writing to the CONTRACTOR terminate the POCL Agreement as from the date of service of such notice or such later date as may be specified therein without further liability other than pursuant to Clause 201.9; or

201.8.2 the CONTRACTOR may at any time up to six (6) months of such failure to reach agreement terminate the Related Agreements by notice in writing as from the date of service of such notice or such later date as may be specified therein to the AUTHORITIES without further liability other than pursuant to Clause 201.9; or

**RESTRICTED - CONTRACTS**

---

201.8.3 the parties may agree pursuant to Clause 101.3 to extend the period of three (3) months specified in Clauses 201.4, 201.5 and 201.8; or

201.8.4 if requested by the CONTRACTOR as part of and at the same time as any agreement to extend the three (3) month period referred to in Clause 201.8.3, the AUTHORITIES shall agree to extend the timetable specified in Schedule B7 at paragraph 2 and table entries (vi) and (vii) for a period not exceeding the period of the extension agreed under Clause 201.8.3.

201.9 In the event of termination of the Related Agreements pursuant to Clause 201.8, the AUTHORITIES shall indemnify the CONTRACTOR for all costs and expenses reasonably incurred by the CONTRACTOR after the date of execution hereof directly in connection with performing (but not tendering for) the Related Agreements (excluding any costs for cancellation of supply contracts for items ordered but not delivered and the CONTRACTOR's overheads in relation to its sites, other than in relation to staff) up to a limit of ten million pounds (£10,000,000) until the end of the three month period specified in Clauses 201.4, 201.5 and 201.8 and up to a limit of one third of that amount for each of the three (3) consecutive additional months (pro-rated for periods of less than a month) for which such period is extended pursuant to Clause 201.8.3, up to a maximum of twenty million pounds (£20,000,000) overall. The CONTRACTOR shall provide documentary evidence in support of all claims hereunder. The CONTRACTOR shall take all reasonable steps to mitigate such costs and expenses including without limitation ensuring that any sub-contract entered into in connection herewith affords the CONTRACTOR rights of termination equal to those enjoyed by the parties under Clause 201.8.

201.10 Before or as part of the process of extrapolation and transposition referred to in Clause 201.4, Schedule B1 shall be clarified so far as reasonably possible to remove any typographical errors, inconsistencies, ambiguities and imprecise or contractually unenforceable language, and to provide agreed mechanisms for completing any blank spaces and agreements to agree.

**Clause 605: Time****605.1 Timetable**

The CONTRACTOR shall perform the Services hereunder in accordance with any timescales specified in Schedule B7 and elsewhere herein as "contractual milestones" and shall use all reasonable endeavours to perform the Services hereunder in accordance with any other timescales specified in Schedule B7 and elsewhere herein, which shall be treated as "target dates". In the event of any failure to meet any target date, the CONTRACTOR shall provide the AUTHORITIES with a method statement showing how it intends to recover any lost time. For the avoidance of doubt, time shall not be of the essence in relation to any contractual milestone unless notice is served in accordance with Clause 605.4.

**605.2 Extension of Time**

605.2.1 If the performance of the Related Agreements by the CONTRACTOR be delayed by reason of Default by either AUTHORITY or by its employees or authorised agents, the CONTRACTOR shall be entitled to a reasonable extension of time and to any reasonable additional costs which it can show were directly incurred by the CONTRACTOR as a result of the delay. The CONTRACTOR shall notify the AUTHORITIES in writing within three (3) working days of becoming aware of such Default.

605.2.2 If the performance of the AUTHORITIES' Agreement by any party be delayed by reason of any force majeure event (as defined in Clause 605.3), all parties shall be entitled to a reasonable extension of time subject to there being no entitlement to any additional costs or expenses incurred as a result of the delay. The party so delayed shall notify the other parties in writing within one (1) working day of becoming aware of such force majeure event.

Any act, event, omission,

happening or non-happening will only be considered Force Majeure if it is not attributable to the wilful act, neglect or failure to take reasonable precautions of the affected party, its agents or employees, and only if a substitute third party is not reasonably available (having regard, without limitation, to the cost and quality of such substitute) to perform the affected obligation. In no event shall any fraudulent act or omission by any party or third party relating to the Services hereunder for which the CONTRACTOR is liable under Clause 808 constitute Force Majeure.

605.3.2 No party hereto shall in any circumstances be liable to any other party hereto for any loss of any kind whatsoever including but not limited to any damages or abatement of Charges whether directly or indirectly caused to or incurred by the other party by reason of any failure or delay in the performance of its obligations under the AUTHORITIES' Agreement which is due to Force Majeure. Notwithstanding the foregoing, each party shall use all reasonable endeavours to continue to perform, or resume performance of, such obligations under the AUTHORITIES' Agreement for the duration of such Force Majeure event. In the case of the CONTRACTOR, the parties shall agree an orderly process for such continuation or resumption of performance (such agreement not to be unreasonably withheld or delayed), and the CONTRACTOR shall comply with such process.

605.3.3 If the CONTRACTOR shall become aware of circumstances of Force Majeure which give rise to or which are likely to give rise to any such failure or delay on its part it shall forthwith notify the other parties within one (1) working day and shall inform the other parties of the period which it is estimated that such failure or delay shall continue. If either AUTHORITY shall become aware of circumstances of Force Majeure which give rise to any such failure or delay on its part, it shall forthwith notify the other parties within one (1) working day and shall inform the other parties of the period which it is estimated that such failure or delay shall continue.

605.3.4 It is expressly agreed that any failure by the CONTRACTOR to perform, or any delay by the CONTRACTOR in performing, its obligations under the AUTHORITIES' Agreement which results from any failure or delay in the performance of its obligations by any person, firm or company with which the CONTRACTOR shall have entered into any contract, supply arrangement or sub-contract or otherwise shall be regarded as a failure or delay due to Force Majeure only in the event that such person firm or

company shall itself be prevented from or delayed in complying with its obligations under such contract, supply arrangement or sub-contract or otherwise as a result of circumstances of Force Majeure and there is no substitute person, firm or company reasonably available (having regard, without limitation, to the cost and quality of such substitute) to perform the affected obligation.

605.3.5 [Not used]

605.3.6 If any Force Majeure event prevents any party from performing its obligations hereunder for a period in excess of ninety (90) consecutive days, the AUTHORITIES may after consultation with the CONTRACTOR and taking into account the CONTRACTOR's views jointly terminate the AUTHORITIES' Agreement in accordance with Clause 902.1.4.

**605.4 Time of the Essence**

Where the AUTHORITIES after undue delay by the CONTRACTOR notify the CONTRACTOR that time is of the essence of the AUTHORITIES' Agreement and any of its obligations stated in such notice shall not have been performed by the CONTRACTOR by any reasonable date stated in the notice, the AUTHORITIES may terminate the AUTHORITIES' Agreement in accordance with Clause 902.2.3. In relation to the timescales specified herein. The AUTHORITIES may only give notice making time of the essence in relation to timescales specified herein as "contractual milestones".

**605.5 Political Risk**

605.5.1 Notwithstanding the provisions of Clause 605.3, a change of, or new, Governmental Regulation:

- (a) shall not excuse the AUTHORITIES from performing their obligations to meet any minimum revenue guarantees applicable under Schedule A6 and, without limitation to the foregoing, if the due date for the application of such minimum revenue guarantees (or any agreed extension thereof) is delayed directly as a result of any change in, or new, Governmental Regulation, the AUTHORITIES agree to meet such minimum revenue guarantees from the date when they would have become payable but for such change in, or new, Governmental Regulation;

605.5.2 Where a change of, or new, Governmental Regulation causes a material alteration in the frequency of benefit payments (as defined in Schedule A6), the Common Charging Mechanism in Schedule A6 shall be adjusted in accordance with the formula specified in that Schedule.

606.2.4 without prejudice to the generality of the foregoing neither the CONTRACTOR nor any person engaged by the CONTRACTOR whether as a servant or a consultant or otherwise shall use the Confidential Information of either AUTHORITY for the solicitation of business from the other AUTHORITY or from any third party by the CONTRACTOR or by such servant or consultant or by any third party.

606.6 Nothing in this Clause 606 shall prevent the CONTRACTOR or the AUTHORITIES from using data-processing techniques, ideas and know-how gained during the performance of the Related Agreements in the furtherance of its normal business, to the extent that this does not relate to a disclosure of Confidential Information or an infringement by the AUTHORITIES or the CONTRACTOR of any Intellectual Property Right.

**Clause 607. Health and Safety Hazards**

608.3 Section 123 of the Social Security Administration Act 1992 shall apply to this AUTHORITIES' Agreement. It is an offence for any person to disclose any information obtained while carrying out administrative work where that information relates to a particular person. All parties warrant that they will duly observe all their obligations under the Social Security Administration Act 1992 which arise in connection with the AUTHORITIES' Agreement.

**Clause 609. Publicity**

609.1 Except with the written consent of both AUTHORITIES (which shall not be unreasonably withheld or delayed), the CONTRACTOR shall not make any press announcements about or publicise the AUTHORITIES' Agreement in any way. The AUTHORITIES shall consult the CONTRACTOR before making any press announcement about or publicising the AUTHORITIES' Agreement, other than pursuant to any legal obligation or in any internal publication of DSS or the Post Office Group.

609.2 The CONTRACTOR shall take all reasonable steps to ensure the observance of the provisions of Clause 609.1 by all its servants, employees, agents, consultants and sub-contractors.

609.3 The CONTRACTOR shall have no right to use the brand or logo of any Post Office Group member without POCL's prior written consent, nor to use the brand or logo of any part of DSS without DSS's prior written consent nor to use the AUTHORITIES' joint brands and logos (if any) without the AUTHORITIES' prior written consent. The CONTRACTOR shall do nothing to injure such logos and brands or the reputation of the AUTHORITIES and, if it uses such brands and logos, shall take all reasonable steps to enable the AUTHORITIES to protect such logos and brands and the reputation of the AUTHORITIES but in no event less than the steps it would take in relation to its own logos, brands and reputation.

609.4 The AUTHORITIES shall have no right to use the brand or logo of the CONTRACTOR or its sub-contractors without

the CONTRACTOR's prior written consent. The AUTHORITIES shall do nothing to injure such logo and brands or the reputation of the CONTRACTOR or its sub-contractors and, if either AUTHORITY uses such brands or logos, it shall take all reasonable steps to enable the CONTRACTOR and its sub-contractors to protect such logo and brands and the reputation of the CONTRACTOR and its sub-contractors, but in no event less than the steps they would take in relation to their own logos, brands and reputations.

**Clause 610. CONTRACTOR's Personnel**

610.1 The AUTHORITIES reserve the right under the AUTHORITIES' Agreement to refuse to admit (a) (in DSS's case) to any premises occupied by or on behalf of the Crown (which term shall in this Clause include all persons employed or engaged by the Crown and all persons other than the CONTRACTOR and its sub-contractors providing services to the Crown) or (b) to any premises occupied by or on behalf of any member of the Post Office Group or to any post office (in POCL's case) any person employed or engaged by the CONTRACTOR, or by a sub-contractor, whose admission would be, in the reasonable opinion of the relevant AUTHORITY, undesirable.

610.2 If and when directed by the relevant AUTHORITY, the CONTRACTOR shall provide a list of the names and addresses of all persons who it is expected may require admission in connection with the performance of the AUTHORITIES' Agreement to any premises occupied by or on behalf of the Crown or by or on behalf of any member of the Post Office Group or to any post office (as appropriate), specifying the capacities in which they are concerned with the AUTHORITIES' Agreement and giving such other particulars as the relevant AUTHORITY may reasonably require. The CONTRACTOR shall comply with any reasonable directions issued by the designated representative of the relevant AUTHORITY as to which persons may be admitted to such premises and at what times.

610.3 If and when directed by the relevant AUTHORITY, the CONTRACTOR shall secure that any person employed or engaged by the CONTRACTOR or by a sub-contractor, who is specified in the direction or is one of a class of persons who may be so specified, shall sign a statement that he understands that the Official Secrets Acts 1911 to 1989 apply to him both during the term of and after the expiry or termination of the AUTHORITIES' Agreement.

610.4 The CONTRACTOR's representatives, engaged within the boundaries of a Crown or Post Office Group establishment or

post office, shall comply with such rules, regulations and requirements (including those relating to security arrangements) as may be in force from time to time for the conduct of personnel when at that establishment or post office and when outside that establishment or post office.

610.5 The decision of the relevant AUTHORITY as to whether any person is to be refused admission to any premises occupied by or on behalf of the Crown or the Post Office Group or to a post office (as appropriate) shall be final and conclusive.

**Clause 611. Waiver**

611.1 The failure of any party to insist upon strict performance of any provision of the AUTHORITIES' Agreement, or the failure of any party to exercise any right or remedy to which it is entitled hereunder, shall not constitute a waiver thereof and shall not cause a diminution of the obligations established by the AUTHORITIES' Agreement.

611.2 A waiver of any Default in relation to the AUTHORITIES' Agreement shall not constitute a waiver of any subsequent Default.

611.3 No waiver of any of the provisions of the AUTHORITIES' Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other parties in writing in accordance with the provisions of Clause 603.

**Clause 612. Access to Premises**

612.1 Any land or premises (including temporary buildings) made available to the CONTRACTOR by the AUTHORITIES in connection with the AUTHORITIES' Agreement shall be made available to the CONTRACTOR on such terms and conditions as may be agreed between the CONTRACTOR and the relevant AUTHORITY. The CONTRACTOR shall have the use of such land or premises as licensee and shall vacate the same upon the termination or expiry of the AUTHORITIES' Agreement or at such earlier date as the relevant AUTHORITY may reasonably determine.

612.2 The relevant AUTHORITY shall be responsible for maintaining the security of such land or premises in accordance with its standard security requirements. The CONTRACTOR shall comply with all reasonable security requirements of the relevant AUTHORITY while on the premises, and shall procure that all of its employees, agents and subcontractors shall likewise comply with such

requirements. The relevant AUTHORITY shall provide the CONTRACTOR upon request copies of its written security procedures and shall afford the CONTRACTOR upon request with an opportunity to inspect its physical security arrangements.

**Clause 613. Security Requirements**

The CONTRACTOR shall comply with the security requirements as set out in Schedule A2.

**Clause 614. CONTRACTOR's Key Personnel**

The parties acknowledge that the CONTRACTOR's key personnel specified in Schedule A12 are essential to the fulfilment of its obligations hereunder. The CONTRACTOR undertakes to use all reasonable endeavours to ensure that such key personnel are not removed or replaced during the term hereof. However, in the event that any of its key personnel becomes unavailable for any reason (including without limitation death, injury, sickness promotion or resignation), the CONTRACTOR shall have the right upon giving thirty (30) days' notice in writing (or such shorter period of notice as may be reasonably practicable) to the AUTHORITIES to replace such an individual with another individual whose abilities and qualifications are appropriate for the services to be performed by such individual.

**PART 7 : WARRANTIES AND STANDARDS**

**Clause 701. Authority and Approval**

The CONTRACTOR warrants and represents that it has full capacity and authority and all necessary consents (including but not limited to, where its procedures so require, the consent of its Parent Company) to enter into and to perform the AUTHORITIES' Agreement and that the AUTHORITIES' Agreement is executed by a duly authorised representative of the CONTRACTOR.

702.3 the Services hereunder shall be performed in compliance with all applicable laws, enactments, orders, regulations, and other similar instruments;

702.4 the Services hereunder shall be fully integrated within the Service Architecture;

702.5 the Services hereunder shall be performed in accordance with all applicable provisions of the Service Architecture Design Document;

702.6 the Services hereunder shall be compatible with the Service Environment as at the date hereof, as set out in Schedule 1;

702.7 the Services hereunder shall be performed in such a way as to cause a minimum of disruption to the business of the AUTHORITIES and the End Users.

**Clause 703. Performance of Products**

The CONTRACTOR warrants and represents that:

703.1 at the Operational Trial Acceptance Date the Operational Trial System shall meet the Operational Trial Criteria and the regulations and standards specified in Schedule A2;

703.2 at the Operational Trial Acceptance Date and thereafter during the term of the AUTHORITIES' Agreement all components of the Service Infrastructure shall operate in accordance with their respective technical specifications, except that, for the avoidance of doubt, it is agreed that the AUTHORITIES shall have no remedy for breach of this warranty in relation to errors or interruptions to Services covered by paragraph 4.1(a) of Schedule A6 of the DSS Agreement or POCL Agreement (as appropriate); and

703.3 the Service Infrastructure will be compatible with the Service Environment as at the date hereof, as specified in Schedule 1.

---

**RESTRICTED - CONTRACTS**

---

**Clause 704. Intellectual Property Rights**

The CONTRACTOR warrants and represents that:

704.1 neither AUTHORITY's use and operation of the Service Architecture and the provision of the Services hereunder shall infringe any Intellectual Property Rights of any third party;

704.2 the CONTRACTOR has the full capacity and authority to grant the licences referred to in Clause 502;

704.3 it is able to comply with Clauses 903.1.2 and 903.1.3.

**Clause 706. Statements and Representations**

The CONTRACTOR warrants and represents that all statements and representations made to the AUTHORITIES in connection with tendering for and entering into the AUTHORITIES' Agreement are, to the best of its knowledge, information and belief, true and accurate at the time of making such statements and representations and that, from the date of execution hereof, it will advise the AUTHORITIES of any fact, matter or circumstance of which it may become aware which would render any such statement or representation to be false or misleading.

**Clause 707. Disclaimer of Implied Terms**

Except as expressly stated in the AUTHORITIES' Agreement, all terms, warranties and conditions, whether express or implied by statute, common law or otherwise (including but not limited to satisfactory quality and fitness for purpose) are hereby excluded to the extent permitted by law.

**PART 8 : REMEDIES**

**Clause 801. Audit**

801.1 The CONTRACTOR shall keep or cause to be kept the Records.

---

**RESTRICTED - CONTRACTS**

---

801.2 The CONTRACTOR shall grant or procure the grant to the AUTHORITIES, any statutory or regulatory auditors of the AUTHORITIES and their respective authorised agents the right of reasonable access to the Records and shall provide all reasonable assistance at all times for six (6) years after the creation of the relevant Records for the purposes of carrying out an audit of the CONTRACTOR's compliance with the AUTHORITIES' Agreement including all activities, Charges, performance, security and integrity in connection therewith. Each party shall bear its own expenses incurred pursuant to this Clause. On termination, the CONTRACTOR shall within a reasonable time to be agreed by the parties transfer the Records to the AUTHORITIES or a replacement contractor, as instructed by the AUTHORITIES. The CONTRACTOR shall thereafter be relieved from any further liabilities under this Clause in relation to such Records.

801.3 Without prejudice to the foregoing, in the event of an investigation into suspected fraudulent activity or other impropriety by the CONTRACTOR or any third party the AUTHORITIES reserve for themselves, any statutory or regulatory auditors of the AUTHORITIES and their respective authorised agents or (in the case of DSS) any Crown body the right of immediate access to the Records described in Clause 801.1 and Clause 801.2 above and the CONTRACTOR agrees to render all necessary assistance to the conduct of such investigation at all times during the currency of the AUTHORITIES' Agreement or at any time thereafter.

801.4 Whenever DSS requires it, and solely for the purposes of enabling DSS's accounting officer to meet his obligations under the Exchequer and Audit Departments Act 1866, the CONTRACTOR:

801.4.1 shall disclose to DSS whatever information DSS requires concerning the prices DSS has paid or may have to pay under the AUTHORITIES' Agreement; and

801.4.2 shall produce whatever evidence DSS requires in support of the information provided under Clause 801.4.1 above.

For the avoidance of doubt, such information shall not include information concerning prices paid by the CONTRACTOR to its sub-contractors or suppliers.

801.5 In connection with the AUTHORITIES' Agreement, the CONTRACTOR must not enter into any other contract or agreement with any person unless that contract or agreement contains a provision equivalent to Clause 801.4 allowing DSS to obtain price information and evidence (as described in Clause 801.4) from that person. This Clause 801.5 does

---

**RESTRICTED - CONTRACTS**

---

not apply if the CONTRACTOR has entered into a contract or agreement following a competitive tendering exercise in which the CONTRACTOR accepted the tender with the lowest price.

801.6 DSS must use information provided under Clauses 801.4 and 801.5 for the purposes of the Exchequer and Audit Departments Act 1866 and for no other purpose.

801.7 The CONTRACTOR shall provide the AUTHORITIES at no additional cost with copies of the annual and interim audited accounts of the CONTRACTOR and its approved subcontractors within fourteen (14) days of such accounts having been lodged at Companies House or its local equivalent to Companies House.

801.8 Without in any way limiting the application of the other Clauses of this AUTHORITIES' Agreement, the CONTRACTOR acknowledges that for the purpose of examining and certifying DSS's accounts or for examining (pursuant to Section 6(1) of the National Audit Act 1983) the economy, efficiency and effectiveness with which DSS has used its resources, the Comptroller and Auditor General may examine such documents as he may reasonably require which are owned, held or are otherwise within the control of the CONTRACTOR and may require the CONTRACTOR to produce such oral and written explanations as he considers necessary.

801.9 The CONTRACTOR shall ensure that the terms of its contracts with its sub-contractors require the sub-contractors to permit examination by, and provide explanation to, the Comptroller and Auditor General in the manner described in Clause 801.8.

801.10 All information obtained by DSS or POCL pursuant to this Clause or Schedule A3 shall be treated as Confidential Information.

801.11 The parties shall comply with the provisions of Schedule A3.

**Clause 802. Liquidated Damages and Delay**

802.1 In the event that:

802.1.1 the CONTRACTOR fails to make available the Operational Trial System or any part thereof for the Operational Trial pursuant to Clause 402.1; or

802.1.2 the Operational Trial is not recorded as successful pursuant to the relevant provisions of the AUTHORITIES' Agreement, and the AUTHORITIES elect to

**RESTRICTED - CONTRACTS**

extend the relevant testing period in accordance with the relevant provisions hereof,

the CONTRACTOR shall, at the option of the relevant AUTHORITY either credit against the Charges or pay to the relevant AUTHORITY liquidated damages calculated in accordance with Schedule C5. Unless the relevant AUTHORITY exercises its option to recover such liquidated damages as a payment to it, the relevant AUTHORITY shall be deemed to have exercised its option to recover such liquidated damages as a credit against the Charges.

802.2 The CONTRACTOR shall credit the relevant AUTHORITY with, or pay to the relevant AUTHORITY, the liquidated damages within thirty (30) days of receipt of a valid claim by the AUTHORITY.

802.3 The parties acknowledge that the liquidated damages specified in Schedule C5 are a genuine pre-estimate of the loss likely to be suffered by the relevant AUTHORITY and that the figures therein are reasonable.

802.4 The liquidated damages specified in this Clause are without prejudice to any other rights and remedies of the AUTHORITIES, except where they are specified in Schedules A8 and C5 to be the AUTHORITIES' exclusive remedy in damages, in which case such credit or payment of the relevant liquidated damages shall be in full and final settlement of the CONTRACTOR's liability in respect of the Default to which they relate. Except in accordance with Schedules A8 and C5, the AUTHORITIES shall have no right of termination in relation to any such Default.

802.5 The provisions of Schedule A8 shall apply in relation to liquidated damages and service credits under all the Related Agreements.

**Clause 803. Additional Resources**

In the event that the Services hereunder are not provided in accordance with all applicable provisions hereof as a result of the Default of the CONTRACTOR, the CONTRACTOR shall, at the request of the AUTHORITIES and without prejudice to the AUTHORITIES' other rights and remedies, arrange all such additional resources as are reasonably necessary to correct the said failure as early as practicable thereafter and at no additional charge to the AUTHORITIES.

---

**RESTRICTED - CONTRACTS**

---

**Clause 804. Recovery of Sums Due**

If any sum of money shall be due from the CONTRACTOR, the same may be deducted from any sum then due or which at any time thereafter may become due to the CONTRACTOR under the Related Agreements or under any other agreement between the CONTRACTOR and the relevant AUTHORITY or (in the case of sums due to DSS) with any department, office or agency of the Crown or (in the case of sums due to POCL) with any member of the Post Office Group.

**Clause 805. Intellectual Property Rights Indemnity**

805.1 Subject always to the AUTHORITIES' proper observance of their obligations under this Clause 805, the CONTRACTOR shall indemnify the AUTHORITIES against all claims, demands, actions, costs, expenses (including but not limited to legal costs and disbursements on a solicitor and client basis), losses and damages arising from or incurred by reason of any infringement or alleged infringement (including but not limited to the defence of such alleged infringement) in the United Kingdom of any Intellectual Property Right by the use or possession of the Products, Services hereunder or Service Architecture by or on behalf of the AUTHORITIES or in connection with the Services hereunder.

805.2 The CONTRACTOR shall promptly notify the AUTHORITIES if any claim or demand is made or action brought against the CONTRACTOR to which this Clause applies.

805.3 The AUTHORITIES shall promptly notify the CONTRACTOR if any claim or demand is made or action brought against the AUTHORITIES to which Clause 805.1 may apply. The CONTRACTOR shall at its own expense conduct any litigation arising therefrom and all negotiations in connection therewith and the AUTHORITIES hereby agree to grant to the CONTRACTOR exclusive control of any such litigation and such negotiations. The CONTRACTOR shall consult with and pay due regard to the interests (including the commercial interests of the Post Office Group and the public interest) and views of the AUTHORITIES in the conduct of any defence to any claim or demand hereunder, and shall, where it is reasonable to do so, comply with such interests and views.

805.4 The AUTHORITIES shall at the request of the CONTRACTOR afford to the CONTRACTOR all reasonable assistance for the purpose of contesting any claim or demand made or action brought against the AUTHORITIES to which Clause 805.1 may apply or any claim or demand made or action brought against the CONTRACTOR to which Clause 805.2

**RESTRICTED - CONTRACTS**

---

may apply. The CONTRACTOR shall reimburse the AUTHORITIES for all costs and expenses (including but not limited to legal costs and disbursements on a solicitor and client basis) incurred in so doing.

805.5 The AUTHORITIES shall not make any admissions which may be prejudicial to the defence or settlement of any claim, demand or action for infringement or alleged infringement of any Intellectual Property Right to which Clause 805.1 may apply or any claim or demand made or action brought against the CONTRACTOR to which Clause 805.2 may apply.

805.6 If a claim or demand is made or action brought to which Clause 805.1 may apply or in the reasonable opinion of the CONTRACTOR is likely to be made or brought, the CONTRACTOR may at its own expense either:

805.6.1 modify any or all of the Products, the Service Architecture or the Services hereunder without reducing the performance and functionality of the same, or substitute alternative products, service architecture or services of equivalent performance and functionality for any or all of the Products, the Service Architecture or the Services hereunder, so as to avoid the infringement or the alleged infringement but without disrupting the performance of the Services hereunder, provided that the terms herein shall apply mutatis mutandis to such modified or substituted items or services and such modified or substituted items shall be acceptable to the AUTHORITIES (whether by passing any form of acceptance testing or otherwise), such acceptance not to be unreasonably withheld or delayed, and shall reimburse the AUTHORITIES' all reasonable costs directly incurred by them; or

805.6.2 procure a licence to use the Products, Service Architecture and Services hereunder on terms which afford to the AUTHORITIES no more extensive rights than those originally applicable hereunder and which are acceptable to the AUTHORITIES, and shall reimburse the AUTHORITIES' all reasonable costs directly incurred by them.

805.7 The foregoing provisions of this Clause 805 shall not apply insofar as any such claim or demand or action is in respect of:

805.7.1 any use by or on behalf of the AUTHORITIES of the Products, the Service Architecture or Services hereunder in combination with any item not supplied

**RESTRICTED - CONTRACTS**

---

or approved (such approval not to be unreasonably withheld or delayed) by the CONTRACTOR where such use of the Products, Service Architecture or Services hereunder directly gives rise to the claim, demand or action; or

805.7.2 any modification carried out by or on behalf of the AUTHORITIES to any item supplied by the CONTRACTOR under the AUTHORITIES' Agreement if such modification is not authorised by the CONTRACTOR in writing; or

805.7.3 any use by the AUTHORITIES of the Products, Service Architecture or Services hereunder in a manner not reasonably to be inferred from the specification or requirements of the AUTHORITIES.

805.8 If the CONTRACTOR has availed itself of its rights to modify the Products, Service Architecture or the Services hereunder or to supply substitute products, service architecture or services pursuant to Clause 805.6.1 (or the AUTHORITIES have unreasonably withheld their acceptance of such substitute products, service architecture or Services) or to procure a licence under Clause 805.6.2 and such exercise of the said rights has avoided any claim, demand or action for infringement or alleged infringement, or if the AUTHORITIES have unreasonably withheld their acceptance of any items modified or substituted by the CONTRACTOR in accordance with Clause 805.6, then the CONTRACTOR shall have no further liability thereafter under this Clause 805 in respect of the said claim, demand or action.

805.9 If a modification or substitution in accordance with Clause 805.6.1 above is not possible so as to avoid the infringement and the CONTRACTOR has been unable to procure a licence in accordance with Clause 805.6.2 Clause 805.1 shall apply.

805.10 The AUTHORITIES hereby warrant and represent that any instructions given in relation to the CONTRACTOR's use of any third party item supplied directly or indirectly by the AUTHORITIES shall not cause the CONTRACTOR to infringe any third party's Intellectual Property Rights in such item. The AUTHORITIES shall, to the extent reasonably possible, assign to the CONTRACTOR any indemnity in their favour in relation to the Intellectual Property Rights in such third party items.

805.11 The foregoing states the entire liability of the CONTRACTOR with regard to the infringement of any Intellectual Property Right by the use or possession of the Products and Service Architecture by or on behalf of the

AUTHORITIES or in connection with the receipt of the Services hereunder.

**Clause 806. Remedies Cumulative**

Except as otherwise expressly provided in the AUTHORITIES' Agreement, all remedies available to the CONTRACTOR or to the AUTHORITIES for breach of the AUTHORITIES' Agreement are cumulative and may be exercised concurrently or separately and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

**Clause 807. Alternative Dispute Resolution Procedure**

807.1 All disputes between either or both of the AUTHORITIES and the CONTRACTOR arising out of or relating to the AUTHORITIES' Agreement shall be referred, by any party involved in the dispute, to the Contracts Steering Group (as specified in Schedule A4) for resolution.

807.2 If any dispute cannot be resolved pursuant to Clause 807.1 within a maximum of fourteen (14) days after it has been referred under Clause 807.1, that dispute shall be referred to the PDA Board (currently comprising the chief Executive of the SSA(NI), the POCL Development Director, the BA Project Director and the BA/POCL Programme Director) of the AUTHORITIES and the Managing Director of the CONTRACTOR for resolution.

807.3 If the dispute cannot be resolved by the relevant parties' representatives nominated under Clause 807.2 within a maximum of fourteen (14) days after it has been referred under Clause 807.2 the dispute may be referred:

807.3.1 if the dispute is of a technical nature or is expressed by the AUTHORITIES' Agreement to be subject to expert determination, by agreement between the relevant parties it may be referred for final determination to an expert (the "Expert") who shall be deemed to act as expert and not as arbitrator; and

807.3.2 in all other aspects it shall be determined pursuant to Clause 104.1.

807.4 The Expert shall be selected by mutual agreement or, failing agreement, within fourteen (14) days after a request by one relevant party to the other(s), shall be chosen at the request of any party by the President for the time being of the Institution of Electrical Engineers who shall be requested to choose a suitably qualified and experienced Expert for the dispute in question.

---

**RESTRICTED - CONTRACTS**

---

807.5 Fourteen (14) days after the Expert has accepted the appointment the relevant parties shall submit a written report on the dispute to the Expert and to each other and seven (7) days thereafter shall submit any written replies they wish to make to the Expert and to each other.

807.6 The relevant parties will then afford the Expert all necessary assistance which the Expert requires to consider the dispute including but not limited to full access to the Service Environment and any documentation or correspondence relating to the Service Environment.

807.7 The Expert shall be instructed to deliver his determination to the relevant parties within fourteen (14) days or such other period as may be agreed between the relevant parties after the submission of the written reports pursuant to Clause 807.5.

807.8 Decisions of the Expert shall be final and binding and not subject to appeal.

807.9 The Expert shall have the same powers to require any relevant party to produce any documents or information to him and the other relevant parties as an arbitrator and each relevant party shall in any event supply to him such information which it has and is material to the matter to be resolved and which it could be required to produce on discovery.

807.10 The fees of the Expert shall be borne by the relevant parties in the proportions determined by the Expert having regard (amongst other things) to the conduct of the relevant parties in relation to the dispute in question.

807.11 Work and activity to be carried out under the AUTHORITIES' Agreement shall not cease or be delayed by this alternative dispute resolution procedure. However, during the currency of any alternative dispute resolution procedure, the AUTHORITIES shall not be entitled to exercise any right of termination which would otherwise arise in respect of the dispute which forms the subject matter of such procedure.

**Clause 808. Liability**

808.1 Except as otherwise specified in Schedule B8 in relation to benefit payment, the CONTRACTOR shall be liable for all losses and shall indemnify the AUTHORITIES against all costs, expenses, losses and damages incurred (including any legal costs) as a result of:

- (a) use of copied, altered or forged Cards;

**RESTRICTED - CONTRACTS**

---

- (b) any unauthorised third party access to the Service Architecture;
- (c) any impersonation of Card holders which successfully defeats extended validation procedures;
- (d) any "hacking" into systems used by the CONTRACTOR to provide the Services (whether or not constituting an offence under the Computer Misuse Act 1990)
- (e) drawing of any benefit payments by Card holders or their proxies where at the time of payment notification had been given by DSS to the CONTRACTOR to withhold payment or cancel a proxy authorisation;
- (f) any other form of fraud (in relation to any of the Services).

808.2 Except as otherwise specified in Schedule B8 in relation to benefit payment, Clause 808.1 shall not apply if and to the extent that any of the matters referred to therein have been caused by the AUTHORITIES' non-performance of any obligation under the AUTHORITIES' Agreement upon the performance of which the CONTRACTOR's obligations under the AUTHORITIES' Agreement in respect of risk for fraud are expressed to depend. The foregoing is in place of the general rule stated in Clause 101.5.6.

808.3 In any case where either or both of the AUTHORITIES incur any costs, expenses, losses or damages as referred to in Clause 808.1, Clause 808.1 shall be presumed to apply unless the CONTRACTOR proves that Clause 808.2 applies.

808.4 In relation to benefit payment only, the responsibilities of the parties for the investigation of fraudulent losses and the agreed apportionment of costs under this AUTHORITIES' Agreement are defined in Schedule B8.

**Clause 809. Injury to Persons; Loss of Property**

809.1 Subject always to the AUTHORITIES' proper observance of their obligations under this Clause, the CONTRACTOR shall fully indemnify the AUTHORITIES in respect of any personal injury or loss of or damage to Property incurred by the AUTHORITIES or their respective employees and authorised agents to the extent that such personal injury or loss of Property is directly caused by any Default of the CONTRACTOR, its employees or agents, in connection with the performance or purported performance of the AUTHORITIES' Agreement.

---

**RESTRICTED - CONTRACTS**

---

809.2 In the event of any claim or demand being made or action brought to which Clause 809.1 applies, the CONTRACTOR shall be promptly notified thereof and the CONTRACTOR shall at its own expense conduct all negotiations for settlement of the same and any legal proceedings that may arise therefrom. The CONTRACTOR shall consult with and pay due regard to the interests (including the commercial interests of the Post Office Group and the public interest) and views of the AUTHORITIES in the conduct of any defence to any claim or demand hereunder, and shall, where it is reasonable to do so, comply with such interests and views. The AUTHORITIES, their employees and agents, shall at the request of the CONTRACTOR afford all reasonable assistance for the purpose of contesting any such claim or demand or action and shall be repaid any reasonable expense incurred in so doing and shall not make any admissions which may be prejudicial to the defence of such claim or demand or action.

**Clause 810. Limitation of Liability**

810.1 No party hereto excludes or limits its liability to any other party for death or personal injury or any breach of any obligations implied by Section 12 of the Sale of Goods Act 1979 or Section 2 of the Supply of Goods and Services Act 1982.

810.2 Subject always to Clause 810.1, the liability of each party for Defaults shall be subject to the financial limits set out in this Clause 810.2.

810.2.8 Subject to Clause 810.2.9, the financial limits specified in Clause 810.2 apply to all claims for monetary relief which any party may have against the other parties either under the Related Agreements or otherwise in relation to the subject matter of the Related Agreements, including all claims for liquidated damages pursuant to Clause 802, all claims to be indemnified pursuant to Clauses 805 and 809 and all other claims or costs which are compensable in money or money's worth.

810.3 Subject always to Clause 810.1, in no event shall any party be liable to any other party for indirect or consequential loss or damage. For the avoidance of doubt, this Clause 810.3 shall not be deemed or construed to affect the CONTRACTOR's liability under Clause 808.

810.5 The parties expressly agree that should any limitation or provision contained in this Clause be held to be invalid under any applicable statute or rule of law it shall to that extent be deemed omitted but if any party thereby becomes liable for loss or damage which would otherwise have been excluded such liability shall be subject to the other limitations and provisions set out herein.

810.6 For the avoidance of doubt, it is acknowledged that nothing in the Related Agreements shall be deemed or construed to relieve any party of its common-law duty to any other party against which a claim may be made to mitigate any loss which is the subject of such claim.

903.1.1 to acquire from the CONTRACTOR a non-exclusive licence to use (or authorise a replacement contractor to use) for the continuation of services equivalent to the Services hereunder in respect of any necessary Intellectual Property Rights which are owned by the CONTRACTOR and used in connection with the performance of the AUTHORITIES' Agreement. 903.1.4 Notwithstanding the generality of Clauses 903.1.1 to Clause 903.1.3 the AUTHORITIES agree only to exercise their rights under such Clauses when and only to the extent that it is necessary for the AUTHORITIES either to fulfil the purposes of the AUTHORITIES' Agreement themselves or to engage a third party so to do.

903.1.5 In the event that the AUTHORITIES' exercise any of the options in Clause 903.1, the AUTHORITIES shall pay to the CONTRACTOR the Transfer Payment calculated in accordance with Schedule A9.

903.1.6 If the AUTHORITIES' Agreement expires and the AUTHORITIES do not re-compete the Services hereunder, they shall be obliged to exercise all of the options in this Clause, unless the CONTRACTOR elects to relieve the AUTHORITIES of this obligation in whole or in part.

903.2.5 (a) as soon as possible following any notice of termination being given (in the case of an early termination of the AUTHORITIES' Agreement) and no later than three (3) months prior to the expiry of the AUTHORITIES' Agreement (in the case of the termination of the AUTHORITIES' Agreement through the effluxion of time) the CONTRACTOR shall at the request of the AUTHORITIES provide to the AUTHORITIES or to a replacement contractor nominated by the AUTHORITIES details of the terms of employment of all CONTRACTOR personnel who are then employed in the performance of the Services hereunder as reasonably required by the AUTHORITIES in order to permit compliance with the Transfer of Undertakings (Protection of Employment) Regulations 1981 by the AUTHORITIES or a replacement contractor;

(b) subject always to the AUTHORITIES' proper observance of their obligations under Clause 903.2.5(c), the CONTRACTOR shall fully indemnify the AUTHORITIES from and against any and all liabilities which the AUTHORITIES may incur in connection with or as a result of any claim or demand whatsoever by any employee or former employee of the CONTRACTOR or of any of the CONTRACTOR's sub-contractors or agents in respect of his employment with the CONTRACTOR or such sub-contractor or agent (or, pursuant to the application of the Transfer of Undertakings (Protection of Employment) Regulations 1981, with either AUTHORITY or any replacement contractor) and/or its termination save to the extent such claim or demand both (i) is made by an employee identified within the relevant employment details referred to in Clause 903.2.5(a) as transferring pursuant to the Regulations and (ii) relates to employer's obligations accruing after the said transfer of

The AUTHORITIES, their sub-contractors, agents and employees shall at the request of the CONTRACTOR afford all reasonable assistance for the purpose of contesting any such claim or demand or action and shall be repaid any reasonable expense incurred in so doing and shall not make any admissions which may be prejudicial to the defence of any such claim or demand or action.

903.3 The CONTRACTOR may at any time by notice in writing terminate any licence granted under Clause 903.1.1 if the relevant AUTHORITY is in Default of its obligations under Clause 903.1.1 in relation to such licence and the relevant AUTHORITY shall fail to remedy such Default within thirty (30) days of written notice to the relevant AUTHORITY specifying the Default and requiring its remedy, provided that if the Default in question is caused by an Agent, such licence shall only be terminated in relation to Use by such Agent.
