Sir,

Please could someone make contact with Mike Wilcox from the post office, He is sending these emails to me as he had my contact details from my days at Coalville CID. The post office he refers to was subject to two armed robberies, One of which I charged a offender with and he was convicted but the second one was believed to be an inside job by the post mistress. We never had any evidence to support this however and it remains undetected.

Gareth

I have today served the summons on Mrs Rudkin in connection with her admissions to the theft of £43000 from the Post Office last year.

An analysis of her financial situation over the last 6 years was undertaken and it was deemed that a further interview was required regarding the period prior to and leading up to the robbery at the office in 2006.

Through her solicitor (Marie Dancer of Richard Nelson Solicitors), she declined the invitation to attend a voluntary interview due to her mental state and the fact that she would not remember events that far back.

Would you please make enquiries as to whether any officers would be willing to meet with me to discuss the further evidence with a view to reinterviewing Mrs Rudkin regarding the state of the Post Office accounts at the time of the reported robbery.

If not we will just proceed with the theft charges

Thanks for your help and any problems please give me a ring.
